How Eternal Support Helps Your Family

We stand beside your family during the most difficult time, helping ease the burden, protect your interests, and keep your wishes at the center of every decision.

Funeral arrangements often involve unfamiliar decisions, complicated pricing, and difficult conversations.

Your Eternal Support concierge helps your family understand each choice, communicates directly with the funeral home, and advocates on your behalf so you do not have to navigate the process alone.

WE REVIEW AND EXPLAIN COSTS

We review the funeral home's itemized prices, explain each charge, and identify what may be required, optional, or unnecessary.

WE COMPARE YOUR OPTIONS

We walk your family through burial and cremation choices, then compare services, merchandise, and pricing so they can make informed decisions.

WE NEGOTIATE PRICING ON YOUR BEHALF

We communicate directly with the funeral home, ask questions about services and charges, and negotiate fair pricing on behalf of your family.

WE PROVIDE DISCOUNTED MERCHANDISE OPTIONS

We help your family select dignified caskets, urns, monuments, and burial vaults available at discounted member prices.

*Eternal Support is a membership savings program only and is not a preneed provider, funeral home, or funeral director and does not provide funeral services.
